

Thank you!

Thank you for helping us to develop **Möjligheternas boende** (The home of possibilities)

A big thank you to everyone who has responded to this year's customer survey. We've received a large number of responses, which shows that you, as tenants, really care about your homes. And, for us, having an open dialogue is important, so that we know what you and all our other tenants think.

By having completed the survey, you're helping us to achieve our vision of being Sweden's best landlord. Your responses are the basis on which we plan and prioritise at Växjöbostäder. Thanks to your responses, we know what is important to you as a tenant, which makes it easier for us to work on the right things.

We are working hard to analyse the responses and will report the results on our website in the autumn. We will be contacting the lucky **winner of a month's rent** in person and will **announce the winner's name on our website** in due course.

A big thank you once again!

Maria Säterdal
CEO Växjöbostäder
